CHANGE THE WORLD CHALLENGE GUIDE

At [Young Founders Summit](#), there's no fence around ideas.
Our only advice is to:

Find a problem within
your community that
you actually feel and
care for.

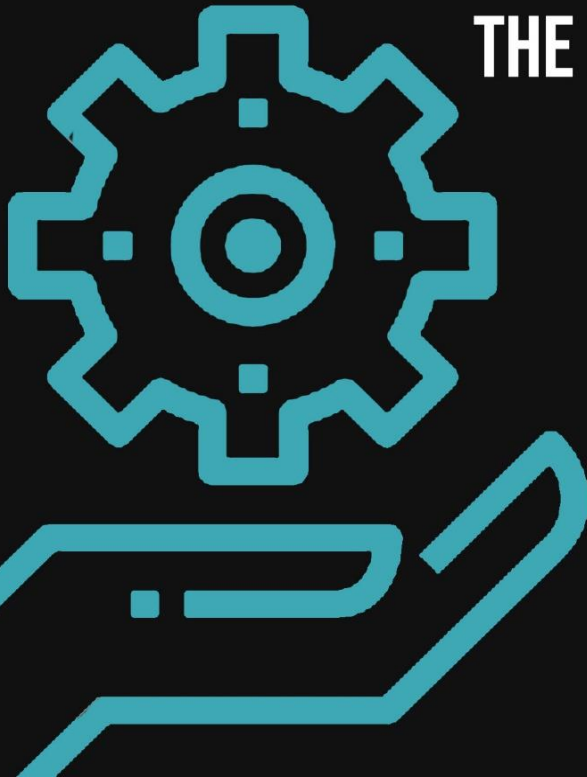

Make sure that it's
really a big problem
with a sizeable
market.

"The secret of getting ahead
is getting started"
- Mark Twain.

THE PROCESS

1. REGISTER

You don't need an idea at the time you register, but you do need to have a team of at least 2 (you can add on more later).

There are no costs or commitment (until you are selected for the semi-finals). So, put together your team quick!

The earlier you register, the more priority you'll receive during semi-finalist selections.

2. IDEATE

After you register, you will receive an info pack with our resources on how to choose, explore, and analyze a startup idea.

Don't worry if you've never done anything like that before: we'll show you how. You'll also get resources and guidelines on what you need to cover in your pitch video.

That's right - all you have to do is to submit a 5-minute pitch video.

VIDEO PITCH DEADLINE:
5:00 PM SGT
30 SEPTEMBER 2018

3. SEMI FINALS

In early October 2018, we will announce 30 semi-finalists.

Each semi-finalist team will be assigned a mentor, who will help you to progress on your proposal and pitch.

You have 6 weeks to get in best shape for the Semi-Finals and Finals!

4. COMPETE - THE FINALS

17 November 2018

Elite teams will pitch your business idea to entrepreneurs, investors, and professors for the chance to win USD 5,000 and a trip to LA where you compete for USD 50,000!

Ready to change the world
and win USD 5,000?
